Letter of Recommendation

To whom this may concern,

This letter serves as a formal recommendation for our cooperation with Goodday.

Since October 2016 Goodday have supported our Berlin-based e-commerce agency ACID21 GmbH with numerous Frontend development projects and some occasional Backend projects too.

ACID21 GmbH have worked with Goodday on the following tasks:

- Implementation and configuration of retail platforms using Shopware
- Implementation of layouts
- Creation of Shopware system plugins
- Support
- Testing

The solutions provided by Goodday have been executed to a high standard and have been designed and implemented according to commonly accepted standards. The developers are highly engaged, experienced and professional, with commendable expertise and all necessary practical qualifications. Goodday employees have also proved to be excellent team members and our staff have enjoyed working with them.

We would not hesitate to recommend Goodday!

Yours sincerely

Gunnar Kurtz
CEO ACID21 GmbH
