LETTER OF RECOMMENDATION

To whom it may concern,

It is my great pleasure to recommend **Goodday Daniel Bohusz** as an expert specializing in the development and creation of online stores based on the Shopware platform. The whole process of creating our shop went smoothly and professionally. The team not only tried to implement everything according to our guidelines but also, understanding our vision, provided advice and their own creative ideas when needed. We could count on an appropriate selection of plugins so that everything was tailored to our industry. Communication at every stage of the store's development went smoothly, and our questions were always answered quickly and thoughtfully.

To sum up, I can conscientiously recommend **Goodday Daniel Bohusz**, who provides professional customer service and demonstrates a high level of skills in his field.
